

INCREASED CONVENIENCE

- Ready-to-dispense
- Effortless, one-handed use
- Lidless, 'always open' design

ENHANCED EXPERIENCE

- No mess, no drips
- Clean cut off & precise dispensing with SimpliSqueeze® valve
- Adapts to different viscosities for consistent flow control

STANDOUT SHELF PRESENCE

- Eye-catching on shelf
- Modern shape signals ease of use at a glance

SUSTAINABILITY

- Reuse-friendly flow control valve
- Monomaterial (PP) for recyclability
- Lidless design minimizes material requirements
